## Annual General Meeting

MPETA 's annual general meeting took place on May 21st, 2014 at the Manitoba Teachers Society Building.

We discussed our constitution and approved it. We are currently working on our policies and hopefully we will have a document finalized in the fall.

A sincere thank you to all those who attended!

## Thank-You Carol Peters!!

The Manitoba Physical Education Teachers Association would like to extend its sincere appreciation to Carol Peters for being our president for the last three years. Thank you Carol for your guidance, leadership, and encouragement as our president. We look forward to continue working with you as the past-president.

Welcome to Ray Agostino as he takes his new position as President of MPETA!

# SAGE Update

The theme for this year 's SAGE is ' Physical Activity: The Amazing Journey ' .

We have finalized the sessions for SAGE and have submitted them to MTS. Krystle has been in touch with Planners Plus regarding registration and sessions.

Thank you to the River East Transcona School Division for being our host this fall! A big thank you goes out to the SAGE Planning Committee for all their hardwork and effort to make this year' s conference the best!
